Why Oakdale?

A college preparatory curriculum provides the academic background that allows students to be ready for the rigors of college. Strong core curriculum programs in the social sciences, literature, religion and philosophy, and the natural sciences are supplemented with digital media and computer skills instruction to create an excellent educational opportunity. Oakdale also offers dual credit and AP courses for students who want to begin their college work before graduation.

Oakdale Christian Academy is a 7-12 grade boarding school serving students from across the US and internationally and is fully accredited by the Association of Christian Schools International.

Student to teacher ratio: 8 to 1
